27 Re-MEMBER, You're a Champ!

Forget your member ID, password, club code or expiration date? Re-MEMBER them by storing it on these national team photo cards. Cut them out and print copies for your athletes.

Dear Members:

The coming year is set to be a magnificent one, as participation in the sport continues to soar. USRowing membership grew by 30 percent in 2015, and this growth should be even stronger in 2016.

The 2016 Olympic Games in Rio will showcase America's top rowers and bring the nation's attention to our sport in numerous ways. We are excited by the new partnerships we developed in 2015 and the opportunities they afforded us to bring rowing to middle schools, veterans and diverse communities across the country. Our championship events continue to flourish as competitive destinations for teams from coast to coast. Rowing is growing, and we are happy to have you as part of the team!

This packet outlines the details of the 2016 USRowing Membership and Insurance Program. The basic structures of the sport are the unseen forces behind the strength of our association – rules, safety and education. The insurance services offered to our members by Roehrs and Company Inc., and Philadelphia Insurance support hosting regattas and running local club activities.

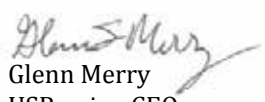
The use of USRowing referees and the Rules of Rowing are a fundamental part of managing risk at events. The 2016 organizational renewal form asks each club to name two volunteers to become referees. It is an important and valuable way to give back to the sport we all love. As participation grows, our event base must do the same, and referees remain at the heart of this growth.

Our commitment to safety continues with the USRowing PFD program aimed at coaches, coxswains and officials. The Mustang discount program provides preferred pricing to our members for float suits and inflatable PFDs. We also continue to provide online access to the safety instruction video, SafeSport and the PASS program, a unique tool for clubs to assess their risks and strengths. Finally, the Kippy Liddle Safety program provides deep discounts on kits that provide your coaching launches with the right items to respond to emergencies.

In 2016, USRowing's partnership with RegattaCentral will be amplified to provide an integrated member experience that will promote an easy-to-use interface for USRowing membership and regatta registrations. Roster management, waiver compliance and entries will have never been more streamlined.

USRowing has worked diligently during the past 18 months to turn our sport toward the future. We exist to promote and grow the sport, and we are glad to have your partnership as we move ahead.

Cheers,



Glenn Merry
USRowing CEO

Organizational
Membership Benefits

Compete and connect with your USRowing Organizational Membership! USRowing currently has over 1,300 active organizational members and our goal is to grow that in 2016. Your organizational membership helps strengthen and grow rowing communities. Join or Renew your organizational membership at http://usrow.us/JoinUSR. Online registrants are automatically sent a receipt. Thank you for your support!

Tier Levels 1-7

Tiers 1-7 are available online at any time

Tier One	$1,350	1-20 active rower club members
Tier Two	$1,550	21-75 active rower club members
Tier Three	$1,875	76-150 active rower club members
Tier Four	$2,100	151-300 active rower club members
Tier Five	$2,475	More than 300 active rower club members
Tier Six	$975	All active club members are current Champ Members
Tier Seven	$375	Organization already has liability policy *(must provide Certificate of Insurance)*

Any organization can request its certificate of insurance at any time by visiting http://usrow.us/RequestRoehrsCert.

Special Tiers

The tiers below are NOT available online. Please call 1-800-314-4769 to renew.

Regatta Pass	$175	This special rate provides membership to an organization that competes in only one regatta for the year - typically alumni boats that come together for one event. This organization can have a maximum of 18 members.
Umbrella	$375	Parent organization pays tier-level price, which covers parent organization and its subsidiaries. Each sub-club pays $375 to USRowing and receives full liability coverage, has its own roster and the right to race under its chosen name.
0 Members	$575	Organization has zero members rowing under the registered name. Typically created for the purpose of fundraising, or hosting a registered regatta.

Tier 7 organizations must submit a valid certificate of insurance LISTING USROWING AS ADDITIONAL INSURED. If a certificate is not received within 14 days of your renewal, membership will be suspended. While suspended, the club may not participate in any USRowing-related activities.

USRowing continues to partner with the United States Olympic Committee in the SafeSport campaign. All organizational members must have athlete SafeSport policies. Explore at: http://usrow.us/aboutSafeSport.

** If you wish to join or renew your membership by mail, a form is included for you on page 19.*

Organizational FAQs

My team/organization is holding a fundraiser that will include individuals that are not part of our club (such as National Learn to Row Day or a Learn to Row event). Are we still covered?

Yes. Miscellaneous special events and activities that involve groups other than your members (or USRowing members) are included automatically with your membership subject to underwriting review. Please alert USRowing to any events you intend to host that require specific insurance coverage such as liquor, camps, etc.

Why would my organization need to purchase a $375 membership with USRowing if our organization already has insurance elsewhere?

The benefit of this Organizational membership level is to provide the opportunity to attend USRowing sanctioned regattas. Many regattas are choosing to become sanctioned events with USRowing for the specific event insurance coverage they receive, as well as the commitment of holding a fair and safe regatta. There are many benefits your organization is eligible for as a USRowing organization. Please visit *http://usrow.us/joinUSR* to learn more.

Our member organization also operates a canoe facility. Would its operations be covered under USRowing's insurance policy?

More communities are expecting boathouses to be multi-purpose waterfront venues that serve a larger base. New for 2016, USRowing will offer multi-watersport coverage options for organizational members. Coverage will include canoes, kayaks, and standup boards for an additional fee of $350 for clubs in our insurance program. We are still unable to cover exposure for dragon boats. Please contact USRowing at 1-800-314-4769 for more information on this coverage.

What about other coverage that is not provided for my organization through USRowing?

Information for directors and officers, automobile, property and rowing equipment insurance is included in this brochure and through the risk management website at *www.roehrs.com*. If your club is responsible for the coverage on the boathouse structure or for a vehicle, you should contact Roehrs & Company, Inc., at 1-888-467-3557 for a competitive quote.

Is the sale of alcohol by our organization covered?

The SALE of alcohol is not covered, but host liquor liability is included in the coverage and that covers you for fundraisers, banquets, etc., where you may SERVE alcohol as part of the function. If your organization is in the business of selling alcohol, you need to purchase coverage for this risk. Please refer to *www.roehrs.com* for a Liquor Liability application.

Will my member organization be covered if I race in an international event?

Your USRowing coverage is valid only in the United States, Canada and Puerto Rico. If you are attending an event outside these territories, you will need to contact Roehrs & Company about purchasing foreign liability coverage.

Do all my members need to sign an ELECTRONIC waiver?

Signing a waiver electronically is not required, but it is the most effective way to ensure USRowing has a record on file. Keeping paper records at the boathouse is acceptable but discouraged, since USRowing has no accurate way of confirming these members have signed a waiver. If you've signed a USRowing paper waiver, please send a copy of the waiver to USRowing, and it will be noted in your membership profile.

What is SafeSport and what does it mean for our organization?

We ask that all of our member organizations join us in the SafeSport campaign to protect athletes across the country. All USRowing member organizations must adopt an athlete safety program. While the primary focus is to safeguard children, policies should extend to all age groups including masters and college level. If your organization already has a policy in place, great! As long as it meets the minimum components, your current policy may be used. Please see *http://usrow.us/aboutSafeSport* for more information.

Be A Champ!

INDIVIDUAL MEMBERSHIP

Championship Membership $65 *(27 and older)* $45 *(26 and under) - Admin Fee already included in Champ prices*

Join a community of over 19,000! Champ members are not just medal winners. Students of the sport, coaches and even parents take advantage of the many benefits we offer. Champ status gives a rower the best chance at success from a membership standpoint, providing national competition eligibility, discounts and educational resources.

Basic Membership *$5.75 Admin Fee*

Create a basic account and complete a waiver to become eligible to compete in USRowing registered (NOT hosted) regattas for a member organization. Basic members must complete this process prior to their first race (including indoor events).

International Membership $75

Individuals who live AND ROW outside the United States are eligible. Those rowing for a U.S. organization do not need an Internatioal Memberhsip. Note: At USRowing-hosted events, international rowers need only basic memberships, as long as they belong to their native country's governing body of rowing.

Outreach Membership $10

USRowing offers high school athletes who demonstrate economic need an opportunity to become Champ Members at a reduced fee. Athletes must meet one of the following criteria:

- Enrolled in the Federal Food Stamp Program
- Entered in a National School Free Lunch Program
- Meet Federal Poverty Guidelines

Applications may be submitted directly to USRowing by the member organization.

Individual Membership FAQs

I am a current Championship Member of USRowing racing outside of the United States. Does my liability coverage apply?

Your USRowing coverage applies in the United States, Canada and Puerto Rico. If you are traveling outside of those territories and are in need of foreign liability coverage, please contact 1-888-467-3557. If you are traveling outside of the United States as part of a USRowing member organization, your organization can receive liability coverage for a premium of $400 per trip. Please contact 1-888-467-3557 for more information.

What if I have multiple member numbers associated with my name? Which do I renew?

You may have multiple numbers associated with your name. If you are unsure which to renew, check with your coach to see which number he/she has stored in your RegattaCentral profile. Our improved roster feature within the USRowing membership portal now allows coaches to merge multiple member accounts within their roster, provided that they have identical profile information. If your coach doesn't use RegattaCentral, you can renew whichever basic membership you choose. *Note: If you have a championship membership number, you should sign your wavier under that number and NOT obtain a new basic membership number.*

Can I update my profile on the USRowing website or do I need to contact USRowing?

You have the ability to update your profile online at: *http://usrow.us/joinUSR*

What are the benefits of being an individual member?

A list of benefits for both championship membership and basic membership can be found at: *http://usrow.us/USRbenefits*

More Questions?
We want to help!

Email: members@usrowing.org
Phone: 1-800-314-4ROW (4769)

What's the difference between a championship membership and a basic membership?

A championship membership will allow you to become a student of the sport, at any level, and give you eligibility to compete at more high profile events as you improve. You will receive numerous member benefits including the ability to participate in all USRowing-hosted events, USRowing conventions, and other USRowing-owned regional events. Basic membership allows you to sign an online waiver, gives you access to USRowing's monthly e-newsletter, and compete at registered regattas. The entire list of benefits for both types of membership can be found at: *http://usrow.us/USRbenefits*

Do I have to be a member of USRowing to row in any regatta in the U.S.?

USRowing's basic membership allows you to race as part of a member organization at any registered regatta. If you are racing unaffiliated at a registered regatta, all members of the boat must be championship members of USRowing. The only regattas that require championship membership for all individuals are events that are hosted by USRowing. A list of those events can be found at *www.usrowing.org/Events.aspx*.

Can I cancel my membership if I am no longer rowing?

While your membership can be canceled at any time, we will only refund money within the first 30 days of purchase, provided that you have not raced at any regattas under that member number.

Can I renew my old member number if time has elapsed between renewals?

Yes, in most cases. At this time we do not discard old numbers. If you are interested in renewing an old number, please contact membership at 1-800-314-4769, and we will assist you in resurrecting your old number.

When should I renew my individual membership?

Basic memberships and championship memberships expire one year from when you join or renew. It is recommended that you renew before your expiration date to ensure that your membership benfits do not lapse.

USRowing requires an individual membership, but I have an organizational membership. Does that count as the same thing?

No. If you are rowing at a USRowing-hosted event, you must have a championship membership. A list of those events can be found online. If you are rowing at a USRowing registered regatta, you need to have at least a basic membership to participate. However, if you are rowing at a hosted event as "Unaffiliated," you must have a championship membership.

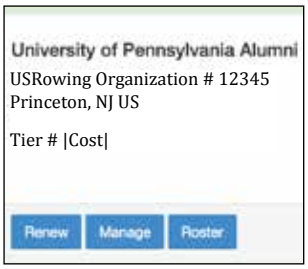
ADMIN-MADE-EASY

USROWING ROSTER PORTAL

1) Administrators, coaches, and directors begin roster management by visiting: *http://membership.usrowing.org*

> *Rosters.usrowing.org has been replaced with this full-featured portal. Visitors will be redirected.*

2) Login to your org account with RegattaCentral username and password or click "Join" to begin a new organization.



3) As an organization manager, renew your membership, manage your account, and manage your roster.

4) Archive former crew members, delete non-members, add new athletes, and now, merge duplicate accounts!

2016 brings major technological improvements! Admins will soon gain the ability to designate roles for other users within their org account!

The Merge Function

Improvements to the merge function ensure easy merges -

Merge two member accounts, Fname, Lname, DOB, Gender, Email must be IDENTICAL
Ex: (Pat and Patty=no merge)

FAQs:

Why do some athletes have duplicate records?

1. An athlete didn't affiliate with the club and therefore is not on the roster. To remedy, he/she created a new account.
2. An athlete forgets his/her member number or password, has trouble logging in and creates a new account.

Where do I get my admin or athlete code?

These codes are emailed to you throughout the year. Please update your organizational profile if you are not receiving these emails or contact members@usrowing.org. *Use the Re-MEMBER cards in this brochure to store your codes!*

An athlete says he/she completed the waiver but it does not appear on my roster. Why?

Athletes must affiliate with your organization in their account using your club code (first 5 characters of your admin code). An athlete may have signed the waiver, but if he/she has not affiliated, he/she will not be on the roster.

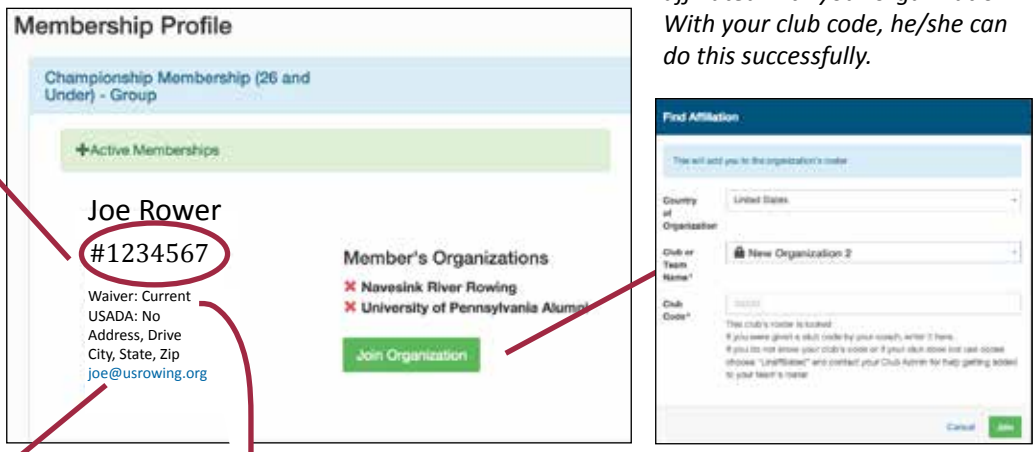
ADMIN-MADE-EASY

WAIVER & ACCOUNT MANAGEMENT

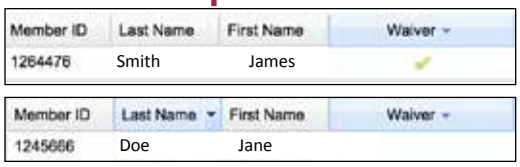
Athletes and parents often update their membership profiles. To ensure changes are easy to make and easy for coaches to interpret when viewing the roster portal, review the following:

The Member ID is an essential piece of information for any member. It allows the member to log in and update, renew or upgrade the account.

If an athete is not on your roster, he/she may not have been affiliated with your organization. With your club code, he/she can do this successfully.



Important news, exclusive deals and profile updates are sent to the email on file. Many times, if users report their password reset email was not received, they have since changed their email address from that which was entered at the time the account was created.



The roster portal will show a coach if waivers have been signed. A green checkmark indicates a valid waiver. If checkmarks are missing, athletes must complete their waiver in order to compete.

Please note: At the end of the process, athletes will be asked if they plan to compete in a national team selection event this year. This includes national selection regattas and national team trials. For most, this answer is "no." If "yes", the athlete will be prompted to view the US Anti-Doping video and questionnaire.

USRowing is here to help. If you or your athletes have difficulty with membership accounts, reach out and let us know. We love to hear from our members and value your feedback. Call us at 1-800-314-4ROW (4769) or email us at *members@usrowing.org*.

Registered Regatta

2016 Program

Register your regatta with USRowing and ensure it is officially recognized as a safe and fair event, meeting the highest standards for American regattas. The 2016 Registered Regatta Program offers regatta organizers unprecedented "no additional cost" liability benefits for the regatta and its participants.

Sanctioning Fee Schedule

Indoor Regatta (any size) $250
All indoor attendees must be current organizational members of USRowing.
All unaffiliated athletes must be a championship or basic member.

Small Regatta (1-500) $350
Medium Regatta (501-1,000) $750
Large Regatta (1,001 - 1,500) $1,250
Mega Large Regatta (1,501+) $1,500
Other Insurance $100
**This option is not available online. Please call 1-800-314-4ROW.*

**Note: Dual and tri events are covered under your USRowing Insurance and do not need to be registered. However, all attending organizations must be organizational members of USRowing.*

Requirements

- The host organization must be a current USRowing organizational member.
- All attending organizations must be current organizational members.
- All unaffiliated rowers must have a championship membership.
- All competitors must be a basic member and have a current signed waiver.
- Sanctioning fees must be paid in full, one month prior to the event.
- If the regatta is not using RegattaCentral's services, a list of attending crews must be submitted to USRowing when the first entry deadline passes and updated when late entries are completed.
- The Chief Referee must be fully licensed and have a current championship membership.
- Any exceptions or amendments to USRowing rules must be submitted to USRowing.

Register Your Regatta Online!
http://usrow.us/joinUSR

A paper form of the Registered Regatta Application is included on pages 21 and 22. For further assistance, contact members@usrowing.org or 800-314-4ROW (4769).

Registered Regatta FAQs

If I choose to use different event insurance other than USRowing insurance, how can I still use USRowing referees?

If you prefer to use different insurance coverage for your registered regatta, you may do so with the option to register your regatta for $100. With this option, you may register your event while still getting access to USRowing referees. Be sure to fill out the registered regatta application if you anticipate using outside insurance.

What if we would like to purchase additional coverage for our registered regatta or our registered regatta committee?

Contact Roehrs & Company Inc., at 1-888-467-3557. Also, you can refer to the directors and officers, crime insurance, hired/non-owned auto physical damage and rowing equipment coverage sections of this brochure.

If we are running a non-registered regatta, can we still purchase the USRowing coverage?

The coverage is only for USRowing registered regattas. It is not available to non-registered regattas, as USRowing cannot sanction or "vouch for" the safety at those events.

What if our organization is hosting a dual or tri-meet regatta? Do we need to register the event?

If the organizations involved with the dual or tri-meet regatta are current member organizations, there is no need to register the regatta. The activities will be covered under your club's insurance policy.

Why did USRowing opt for $1,000,000 primary and $1,000,000 excess coverage per incident for registered regattas? Isn't $1,000,000 sufficient?

Many registered regattas must carry $2,000,000 per occurrence coverage due to the requirements of their host regions or other constraints. For example, some cities or municipalities require a $2,000,000 per occurrence limit. Some regattas may have other affiliations through which they can access this additional coverage at no cost. However, for the majority of regattas, the cost of obtaining the additional $1,000,000 is quite high compared to the cost to USRowing to provide it as a registered regatta benefit.

Is the sale of alcohol at our registered regatta covered?

No. The SALE of alcohol is not covered under insurance. However, Host Liquor Liability is included in the coverage, and that covers you for fundraisers, banquets, etc., where you may serve alcohol as part of the function. If your organization is in the business of selling alcohol, you need to purchase coverage for this risk. Please refer to *www.roehrs.com* for a Liquor Liability application.

Does the insurance provide coverage for our registered regatta committee?

Yes. If the committee qualifies as a registered regatta committee or member organization in good standing with USRowing, the policy provides liability coverage for their activities related to the organization and operation of the registered regatta. These include planning meetings, banquets, event set-up, regatta operations, event tear-down, and award banquets. A Directors and Officers policy may be purchased separately if you need or want that type of coverage.

What about registered regatta competitors? Are they covered during registered regatta events?

Yes. If the regatta meets the requirements for registered regatta designation by USRowing and all release of liability forms have been signed electronically, or verified, then all rowers, coxswains, coaches, referees, club members and USRowing individual members receive liability and excess accident medical benefits (subject to terms and exclusions) for covered event activities. Volunteers (while acting on your behalf) and other individuals approved as participants also receive liability coverage (subject to terms and exclusions) for approved activities.

Can our additional insureds be added? At what cost?

Yes. You can request a certificate of insurance by visiting *http://usrow.us/RequestRoehrsCert* or call 888-467-3557. There is no charge for requesting an Additional Insured Certificate.

Can we get insurance under the registered regatta program for canoe and kayak racing?

Regattas that also offer canoe and kayak competition should contact USRowing member services at 800-314-4ROW (4769) or *members@usrowing.org* to discuss opportunities to ensure coverage under the registered regatta program.

Insurance

2016 Program

The benefits and conditions outlined below apply to most paid membership categories. Whether you are an organizational member, a registered regatta or a championship member of USRowing, you are covered by the same insurance program with some differences noted below. Visit http://usrow.us/USRinsurance for a description of USRowing coverage and other insurance information.

Highlights of the 2016 USRowing Liability Plan

- Includes participant legal liability coverage
- No exclusion for "Player vs. Player" claims
- Includes host liquor liability coverage
- *Learn to Row* days are automatically covered

What To Do In the Event of a Claim

It is important to notify your insurance company of a claim (or potential claim) immediately after the incident occurs, so that they may be involved in the entire claims process. If property damage is involved, take pictures of the damage if possible. Protect the property from further damage (save any receipts if expenses are incurred to do so). Do not admit liability. Obtain contact information for any other involved parties. Get names and phone numbers of any witnesses. Report to the police if a crime has been committed (like theft). Call Roehrs & Company at 888-467-3557 as soon as possible to report any incident which may be covered under your insurance, or if you receive an attorney letter of representation or lawsuit. If you're not sure if you have a claim, consult your agent to discuss the incident in detail.

Automobile Checklist

Choose your scenario and follow the instructions for ensuring proper coverage

☐ Borrowing a truck

I am borrowing my neighbor's vehicle to tow our trailer to a regatta.

The neighbor's personal insurance coverage would be primary, and USRowing auto liability would be secondary (or excess over the owner's coverage). Unfortunately, you cannot cover this vehicle under your USRowing liability or physical damage coverage.

☐ Renting a truck

I am renting a vehicle from our local rental car company.

Your *Hired/Non-Owned Auto Liability* coverage would apply. You do not need to notify anyone that you've rented a vehicle. The coverage is automatic for liability. Check with your rental company to see if they can offer physical damage coverage for the vehicle. If YES, find out the cost per day and the deductible should you get into an accident. If NO, call Roehrs & Company at 888-467-3557 and request an application for *Hired Physical Damage* coverage (or use the form in the back of this brochure). The cost is $152 for a limit of $30,000 or $227 for a limit of $50,000 for the period of 12/31/2015-12/31/2016. This is your best option if the rental company doesn't offer physical damage coverage or if you rent more than three times per policy period.

☐ Pulling an owned trailer with a friend or coach's truck

I am pulling a club trailer with a friend or coach's truck.

Unfortunately, the friend/coach's insurance would be primary. The USRowing coverage would be excess over the coach's coverage and physical damage coverage is not available for this vehicle. Be sure there is physical damage coverage for your trailer under your equipment policy.

☐ Pulling a rented trailer with an owned truck

The club owns a van/truck, and we are pulling a trailer for another club.

The liability coverage would come from your club's automobile policy even if the trailer swayed into the next lane and hit another vehicle. Liability always follows the vehicle pulling the trailer. You should check with the trailer owner to see if they will cover the physical damage coverage on the trailer while you're using it. If they want YOU to fix the trailer should it become damaged, you can get coverage either through your equipment carrier or your auto carrier for temporary use of a trailer. If the trailer owner is going to continue to cover the trailer while you're using it, there is nothing you need to do. Just be sure it's clear who is going to be responsible for the trailer should it become damaged.

☐ Pulling an owned trailer with a rented truck

I am pulling a club trailer with a rented truck.

Your *Hired|Non-Owned Auto Liability* coverage would apply. You do not need to notify anyone that you've rented a vehicle. The coverage is automatic for liability. Check with your rental company to see if they can offer physical damage coverage for the vehicle. If YES, find out the cost per day and the deductible should you get into an accident. If NO, call Roehrs & Company at 888-467-3557 and request an application for Hired Physical Damage Coverage (or use the form in the back of this brochure). The cost is $152 for a limit of $30,000 or $227 for a limit of $50,000 for the period of 12/31/2015-12/31/2016. This is your best option if the rental company doesn't offer physical damage coverage or if you rent more than three times per policy period.

IMPORTANT Information About Your Insurance

Coverage is provided for the legal entity of your organization and participant legal liability for your registered members as a benefit of membership with USRowing. Your registration must include an accurate online roster. USRowing has the right to audit all rosters.

Organizations must make sure all members have signed their online waivers. Sanctioned or approved rowing and rowing-related activities include scheduled practices, tryouts, event setup and tear-down, meetings, banquets, ancillary events, competition and non-hazardous fundraisers. *Please note: Procedures should be in place to track unescorted boats.*

Directors and Officers (D&O) Liability for Not-for-Profit Rowing Organizations

Directors and Officers coverage provides protection for lawsuits against the directors and officers of not-for-profit rowing organizations, as well as their volunteers, for actual or alleged wrongful acts and errors and omissions. The policy provides protection for individuals or officials in their collective capacity as officers of the organization. The policy also provides coverage for suits brought against the entity itself.

Policy Limit	$1,000,000 or $2,000,000
Total Payments	$1,000,000 or $2,000,000
Deductible	$1,000

Examples of claims covered by this policy: lawsuits seeking damages for discrimination, wrongful suspension of players, acts beyond the authority of the organization, wrongful dismissal of coaches or failure to provide adequate insurance to players.

This plan does not provide coverage for lawsuits involving bodily injury or property damage. These types of claims can be covered under the General Liability Policy.

Please note: This coverage is written on a "claims made basis." All claims under this policy must be reported to the insurance company within the policy term.

If your organization is a for-profit entity, you are not eligible for coverage under this program. Please contact Roehrs & Company Inc., at 888-467-3557 for the appropriate Directors and Officers Liability application.

Insurance Company Underwriters

The D&O policy and Crime policy are underwritten by Philadelphia Insurance Company, which is rated "A+" (Superior) by A.M. Best's Rating Service.

Crime Insurance

This plan provides protection for rowing organizations against the financial loss caused by the dishonest disappearance of money, securities or negotiable instruments. This insurance plan includes coverage for loss by theft or forgery by an officer or volunteer.

Employee Theft Coverage:	$25,000 per loss
On-Premises Coverage:	$10,000 per loss
Off-Premises Coverage:	$10,000 per loss
Depositor's Forgery:	$10,000 per loss
Deductible:	$250 per claim

Examples of covered losses under this plan are the loss or dishonest disappearance of: monies or securities in the club treasury, monies collected from fundraising activities or monies set aside for the purchase of uniforms and equipment.

Limit and Premium Options

Option A	$1,000,000 D&O Liability Limit	$380
Option B	$2,000,000 D&O Liability Limit	$770
Option C	Crime Insurance	$175
Option D	D&O Liability $1,000,000 Limit and Crime Insurance	$510
Option E	D&O Liability $2,000,000 Limit and Crime Insurance	$895

Eligible for D&O policies: all member organizations and regatta committees of USRowing that are filed as non-profit organizations or that operate as non-profit. Any organization that operates as a for-profit organization or that is filed as a for-profit entity must submit to full underwriting review.

Roehrs is licensed in all 50 states. The California Department of Insurance requires that we post our California license number in this brochure. The license number is: 0F51701.

2016 Organizational Registration and Invoice

January 1, 2016 - December 31, 2016

Please visit our website, *http://usrow.us/joinUSR*, to renew your organizational membership or become a new member of the USRowing community. By completing the application online, you will automatically receive a receipt. Avoiding online registration because you don't have your login codes? Email *members@usrowing.org* to receive them.

Did you know? Organizational Membership runs the *calendar* year, which means no matter when you purchase your organizational membership, it will expire on December 31, 2016. We encourage all organizations to use online registration because it's quick and easy. However, we do offer a paper registration form below.

Tier Levels 1-7

Tiers 1-7 are available online at any time

☐	Tier One	$1,350	1-20 active rower club members
☐	Tier Two	$1,550	21-75 active rower club members
☐	Tier Three	$1,875	76-150 active rower club members
☐	Tier Four	$2,100	151-300 active rower club members
☐	Tier Five	$2,475	More than 300 active rower club members
☐	Tier Six	$975	All active club members are current Championship Members
☐	Tier Seven	$375	Organization already has a liability policy ***(must provide Certificate of Insurance)***

Special Tiers

The tiers below are NOT available online. Please call 1-800-314-4769 to renew at a tier listed below:

☐	Regatta Pass	$175	This special rate gives organizational membership to an organization that competes in only one regatta for the year - typically for alumni boats looking to race at one event. This organizaion can have a maximum of 18 members.
☐	Umbrella	$375	Parent organization pays tier-level price that covers itself, as well as the members of all the subsidiary clubs. Each sub-club pays $375 to USRowing and receives full liability coverage, has its own roster and the right to race as its chosen name.
☐	0 Members	$575	Organization has zero members rowing under the registered name. Typically created for the purpose of fundraising or hosting a registered regatta.

RegattaCentral Registration Services

RegattaCentral is rowing's trusted source for regatta and club registration services. RC provides a scalable and affordable solution, making it a perfect match for any size regatta or club. Through both the Regatta and Club Management services, administrators are able to process online registrations and payments, verify compliance, export data files and email participants. RC is also the go-to website for coaches and rowers looking to discover an upcoming competition, register for a regatta, find results, or plan the next season.

In 2015, RegattaCentral became TRUSTe certified! TRUSTe is recognized globally for privacy auditing and compliance. The certification was the result of an extensive review of RegattaCentral.

RegattaCentral continues to work toward improving both the client and user experience. Several updates to the look and feel of the website were introduced in 2015, with several more planned for 2016. Version 3 of the RegattaCentral Rowing API, which helps regattas, clubs, governing bodies, and rowing associations manage and exchange data, was also released in 2015. The web services API is currently being used by regatta timing systems to publish live results to the website and mobile apps. It will be expanded in the future to include modules and subsystems of Control Commission, Rosters, Clubs, Regattas, Onsite Registration & Credentials, Volunteer Management and more.

RC combines its technology with fantastic customer service. Our dedicated Account Manager and full-time Customer Support Representative ensure staff, volunteers, members and coaches receive prompt professional support. RC's certified bookkeeping staff ensures you receive timely and accurate remittances of your funds.

As clients of RegattaCentral, USRowing's national office has cut down on both the paperwork and the time spent on registration and management for all of the national championship regattas by more than 75%. This saves more than the cost of the services itself! As members of USRowing, you can realize an additional discount to these savings. USRowing registered regattas and clubs are eligible for special discounts on RegattaCentral services. Additional discounts are available for large regattas and organizations which host multiple regattas.
